

Submitter: John Bergendahl

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

Please reconsider your vote for HB 4145. I would ask you to allow local control at the municipal and county level. Preferably county sheriffs after consultation with city councils and county commissioners. This would allow those of us who lawfully own firearms to have better access to our elected representatives to protect our gun rights.
