Dear Chair Broadman, Vice-Chair McLane, and members of the committee,

Please support 1.25% for Wildlife. I travel to the Oregon Coast throughout the year to stay at my favorite inn and hike, whale watch, visit local shops, and enjoy the incredible restaurants. I take friends and family to stay on the coast whenever they visit, hosted my wedding at a coastal inn, and hope to take my little niece and nephew to see Oregon's incredible wildlife and wild places when they come out to visit someday. I will gladly pay an extra fee to support wildlife and habitat and make these special visits possible well into the future. It's necessary and so worth it to invest in these species and their habitats so we can all continue to enjoy and support them – they are exactly what make Oregon such a spectacular place to live and visit.

Please support HB 4134-1, 1.25% for Wildlife. Thank you.
