Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I oppose and my family opposes HB 4145. It is very anti-America and is against our "GOD given rights" of the US 2nd amendment. The party in charge supporting this are anti-America American Marxists. This targets lower income folks that actually need guns to defend themselves from crime the party in charge allows to happen threw lack of jail, no bail laws and giving more rights to criminals than Oregon citizens. This bill does not help gun issues it just targets law abiding citizens which is what American Marxists legislatures do. My family and I are fed up that the Party in Charge does not listen to the will of the people. Enough is enough, Oppose HB 4145.
