

Submitter: James Martello
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: HB4145
Senate Committee,

I , along with countless others are against this bill that turns honest law abiding gun owners into criminals and makes it almost impossible to buy or own a firearm. This bill does NOTHING to protect the people of Oregon but does HARM ALL the CITIZENS of OREGON.

VOTE NO and KILL THIS BILL,
Expecting your support,
James Martello
