Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

As a lifelong Oregonian with family from many states and countries that do not have nearly the abundance of nature that we do, and/or do not have the resources to conserve it, I have always felt deeply proud, respectful, and fiercely protective of the wondrous wildlife of our state. We must do more to ensure it remains for future generations! It is our true wealth. Thank you.
