

Submitter: Dianne Klecker

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

Senate Committee members,

I oppose this measure in the strongest terms possible! You are punishing law abiding citizens while the unlawful will not pay any attention to the rules. Also the increased fees will make it more difficult for lower income people to purchase firearms and ammunition and they probably have more need to protect themselves. This will not stop gun violence! Please vote no on this measure!

Dianne Klecker
