Measure, Appointment or Topic:

HB4145

I oppose this measure. I can't even believe you are wasting the People's time on this ludicrous topic (when knife crime is wayyy worse then gun crime.... why don't you take away all the butter knives?), when the economy in Oregon is in a recession (and getting worse) in my 52 year native history in my state. It is clear you all do not work for the People.
