

Submitter: Douglas BEALL

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Hello and good morning, as a resident that lives within walking distance of our national, state, and wilderness areas, there have been sharp declines in my wildlife population. I MEAN sharp declines, we are in a crisis situation with little concern in the general human population. PLEASE, PLEASE, PLEASE, SUPPORT this legislation as a small step toward meaningful protection for wildlife habitat and survival, Sincerely, Douglas Beall
