

Submitter: Mark Smith

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

The bill 4154 is completely unconstitutional. I need not address any particular parts of the bill.

This bill is one of the worst violations of our Second Amendment rights I have ever seen. The Second Amendment states: "...the right of the people to keep and bear Arms shall not be infringed." This bill would be a total infringement! Not to mention this bill directly targets screened and law abiding citizens licensed to carry in the state of Oregon.

In Defence of the Constitution of the United States. Do not allow 4154 to pass out of committee!

Criminals disregard the law anyway. Make all the laws you want. Criminals will be criminals. This bill is a direct attack against trained law abiding citizens, which are among the safest citizens to be around.

Stop the stupidity, stop this bill where it can't come up again!

Sincerely,  
Mark Smith
