

Submitter:

Robert Wofford II

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

HB4145

I oppose HB 4145. This should have been immediately squashed or killed and not gotten out of committee, due to serious ethical misconduct, legislators need to be held accountable ethically. This is not acceptable. This bill does not improve public safety and creates an undue burden for law abiding citizens.
