Measure, Appointment or Topic: HB4134

I'm in support of HB 4134 and the tax increase for wildlife. OR should fund the protection of wildlife and this tax increase is a good way to do it. The increase is still less than other states' taxes. I live in CA and am willing to pay the increased tax to help OR protect its wildlife. OR's wildlands and wildlife are my primary reasons for visiting OR. I don't mind paying the tax to ensure there are still wildlife and wildlands when I visit.
