Measure, Appointment or Topic: HB4145

As a fellow resident of Oregon, I urge you to OPPOSE HB 4145 during your work session.

HB 4145 would legislatively implement the ballot measure with the following major changes that were NOT approved by the voters:

- Doubles the amount of time for state bureaucrats to issue the required permit to lawfully purchase a firearm from 30 days to 60 days.
- Increases the cost for the permit by more than 130%, from \$65 to \$150, a clear attempt to make lawful gun ownership unobtainable through financial barriers.
- Carves out on and off duty law enforcement from the permit requirement and magazine capacity limitations.
- Pushes the permit requirement date to January 2028, showing the state isn't even remotely prepared to take on a permitting scheme.

HB 4145 overrides the will of the voters and allows the legislature to impose more draconian gun control on law-abiding gun owners in Oregon. Again, I urge you to OPPOSE HB 4145.
