

Submitter: Morgan Gregory

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am writing in opposition of HB4145. This bill should already be dead but Rep. Kropf used coercion to change the vote result in committee. This is highly illegal and Oregonians are paying attention. HB4145 is a terrible bill that does nothing to protect Oregonians and will infringe on their constitutional rights. Every representative that votes in favor of this bill is complicit in abuse and coercion. Oregonians deserve better and we will hold you accountable come election season is you support this bill.
