

Submitter: Shannon Clausnitzer

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

As a lifelong Oregon resident and former navy veteran I strongly oppose this overreaching government action to attempt to circumvent the will of the people as the measure 114 continues in the court. This bill revokes the process to govern our selves as should be allowed for normal citizens. Please get out of our way and allow the people of Oregon decide what is best.
