On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I strongly oppose HB 4145 which modifies the firearm permit provisions of Ballot Measure 114. Our US Constitution protect the 2nd Amendment rights and there certainly be costly, at the taxpayers pockets, to defend this HB 4145 IF passed. Guns, knives, automobiles, poison, and rocks do NOT kill people. It is the evil and hateful people that hold those weapons that make a personnel decision to violence. Again I strongly oppose HB 4145.
