Measure, Appointment or Topic: HB4134

I moved to Oregon from Wyoming in the early 90's, and was blown away by the scenic beauty. Anytime I'm traveling and tell people I'm from Oregon, they always say either they love it because it's so green and beautiful, or that they've always wanted to visit because it's so beautiful. The wildlife, the trees, lakes, the clean rivers, etc. ... we have to admit--THAT'S why people love to come visit here. It only makes sense that we make a small increase to the tax to preserve it for years to come.

The time to pass HB 4134 is now. We owe it to the future visitors and business owners of Oregon.
