Measure, Appointment or Topic: HB4134

I am an Alaskan resident who visits Oregon several times a year to see the wildlife, the trees and the ocean of the Oregon coast. I urge you to pass HB 4134 to provide funding to maintain and restore the amazing ecosystem draws myself and hundreds of other tourists yearly. I would gladly pay more for my hotel and other services to ensure that Oregon remains the beautiful and healthy land that it is. That is what I come to see. Please pass HB4134.
