Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4138

I urge lawmakers to vote YES on HB 4138-A. Transparency protects everyone.

When someone has the power to stop, question, arrest, and even use physical force against you, you deserve to know exactly who they are and who they work for. Masked and unidentifiable government agents create fear, confusion, and real risk — especially in immigrant and refugee communities already facing heightened federal targeting. LEAVA strengthens visibility and accountability in Oregon.
