Measure, Appointment or Topic: HB4145

I am writing in opposition to HB4145. This bill does nothing to protect oregonians. The state of Oregon cannot afford to meet the requirements of this bill which blocks oregonians from exercising their second amendment rights. There is also financial burden that will be passed on to oregonians. Law abiding Oregonians are tired of having the blame laid at their feet. If politicians wants to make a difference increase the laws that criminals choose to break pay for their violations versus blaming law abiding citizens.
