

Submitter: Ron Hyde
On Behalf Of: The people of Oregon
Committee: Senate Committee On Rules
Measure, Appointment or Topic: HB4145

Since this measure makes exceptions for certain groups of citizens, this measure is in clear violation of Oregon's own constitution. Article 1, Section 20 clearly states "No law shall be passed granting to ANY citizen or CLASS of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens", So not only are Oregon's law makers infringing on the U.S. constitution, they are ignoring our own constitution as well. We will be watching this closely
