

Submitter: John Gentis

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I oppose this infringement on my constitutional right.

This would only punish the law abiding citizens of Oregon. A criminal does not go through a background check, Hence the term criminal. Also in my opinion the church or any non profit that trys to decide to make law . Should instantly loose tax exempt status.

This law will do nothing but make honest law abiding citizens sitting ducks for criminals.

Here's an idea , punish the actual criminals by prosecuting them under the laws we have.

Why would you punish law abiding citizens???
