

Submitter: Laura Jamieson

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4138

I oppose this measure because it limits the effectiveness of law enforcement personnel to work in the manner they best see fit. This is better managed by their own internal policies and this bill is an over reach by the government. It eliminates the ability to "surprise" or "surveillance" which are 2 very important functions of law enforcement to do their job and should be left to their discretion.
