Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

HB 4145 is an attempt by the legislature to override the will of the voters and superimpose additional gun control measures. HB 4145 will do nothing to address criminal misuse of firearms, but instead will escalate costs and bureaucratic red tape for law-abiding gun owners. Exercising our God given constitutional rights should not come with a price tag or fee and definitely should not be on a 2 to 3 month wait for approval! I demand you vote NO on HB4145.
