

Submitter: Jonathan Unruh

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I oppose this as you should as well especially those of you who don't support voter I.D.. there is no logical reason to be adding a permit to purchase on top of a having to show I.D. and pass a background check already. If you do not support voter I.D. There is no logical explanation for supporting this.
