

Submitter: Bryan McGregor
On Behalf Of: Oregonians
Committee: Senate Committee On Rules
Measure, Appointment or Topic: HB4145

A vote supporting this bill is a vote in support of abuse, dismissal of the public's voice, and the over reach by our elected Representatives. From giving our fingerprints with purchase data to the Federal Government, isolation of our ability to contest denied permitting, to ignoring the blatant and purposeful abuse during a failed vote in the House Committee.

We are sick and tired of our State Government disregarding the voices of Oregonians. While over reaching the bounds of our basic fundamental rights.

This abuse must stop today!

Respectfully,
Bryan McGregor
