On Behalf Of: Hb4145  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: HB4145

I oppose this legislation not only does it violate our Constitution rites . It was forwarded out of committee by illegitimate means . Representative Kropf should be held accountable for his actions and will be by his constituents next election cycle just as all of your positions will be up of reelection soon enough. Thanks and please vote no so we do not have to vote you out . Do the right thing .
