Measure, Appointment or Topic: HB4145

I would urge you reject this poorly thought out bill

There are serious concerns on what will be done with the fingerprint data collected.

There is no infrastructure in place for the training requirements .

\$150 fee is a huge increase over the original \$65 burdening
Some of those who can least afford it

This whole thing should be tabled until the Oregon Supreme Court has a chance to rule on 114.
