

Submitter: Greg Winterfeld

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I oppose this legislation. It is directed at law abiding citizens and does not do anything for the criminal. If you was to legislate something regarding guns, try increasing penalties for those who use a gun in the commission of a crime.

This should never have gotten out of committee and was only passed in committee after the bullying done by the committee chair.
