

Submitter: Kipp Karavanich

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

HB 4145 is not about public safety but is instead designed to make exercising a constitutional right "harder, slower, and more expensive." What other enumerated right do you have to purchase a permit to exercise. This is a bad bill, and bad for law abiding Oregonians. I urge a NO vote on HB4145
