On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I'm opposed to this bill for the simple fact that we are waiting for the Oregon supreme court's ruling on this same issue! This bill makes it harder for the law abiding citizens in this state to protect themselves and their families from violent people that live amongst us!

No law is going to stop someone who doesn't care about breaking laws !! This will only hurt people that want to follow the law and be able to protect themselves. This feels like you that support this want us unarmed and defenseless and totally dependent on government for protection this is not freedom!

Mental illness is the problem not a tool like a gun but I see no bills trying to address the real problem why ??

I'm tired of having my God given and constitutional rights being violated by misguided laws that do nothing to address the real problem .

I'm asking you to please oppose this bill and stop attacking me the law abiding citizen and allow us to continue to protect ourselves and our families..

Thank you
