On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

As a fellow resident of Oregon, I urge you to OPPOSE House Bill 4145 in your committee.

HB 4145 would legislatively implement an override of the ballot measure with the following major changes that were NOT approved by the voters:

Doubles the amount of time for state bureaucrats to issue the required permit to lawfully purchase a firearm from 30 days to 60 days.

Increases the cost for the permit by more than 130%, from \$65 to \$150, a clear attempt to make lawful gun ownership unobtainable through financial barriers.

Carves out on and off duty law enforcement from the permit requirement and magazine capacity limitations, creating different classes of people for lawful firearm ownership.

Changes the implementation date of the magazine ban and permit requirements.

Includes a government maintained de facto registry of firearm owners, with their personal data and fingerprints to be shared with the FBI.

HB 4145 received significant public backlash in the House Judiciary Committee. The bill was overwhelmingly opposed by the public, and the process and advancement of the bill has endured criticism from both pro-second amendment supporters and anti-gun groups.

Again, I urge you to OPPOSE HB 4145.

Thank you for all that you do for our state.
