I do not understand why you keep trying to pass these "new laws" which will do nothing to protect anyone.

All it will do is make it harder for people like myself, and others like me able to protect myself.

The elderly quite often live on a limited income.

The cost is ridiculous to implement this to start with.

It does nothing to stop criminal activity.

Do you really think criminals are going to care that you are trying to pass yet MORE LAWS.

They do not obey the ones we have which apparently are not enforced anyway.

Please vote NO on this and do away with it once and for all.

Thank you
