Measure, Appointment or Topic: HB4145

I am writing this short letter in OPPOSITION of this unconstitutional House Bill. This house bill should have been voted out when Rep. Kropf stole a yes vote with coercion and intimidation. Also, a vote can not be stopped in the middle of a vote to gain a different outcome. This bill attacks only law abiding citizens, we are NOT the problem. I urge all of you to do the correct thing and vote NO for this horrible legislation attacks on law abiding citizens. I would also like to know what both fiscal impact for this bill? Why has it not also gone to Ways and Means. This bill is being railroaded through legislation to attack law abiding citizens who are advocating for their rights.
