On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

Oregon Constitution Art. I § 20 States: "No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens."

All the exemptions you carve out for current and FORMER law enforcement just prove that it's always about control, not about safety. If this bill was truly about safety then police would be subject to the full language of the law while outside work hours. In fact, if this was actually about saving lives, then we should apply this to peace officers first as they statistically are far more likely to use their weapons on a spouse or household member.

I'm sure this is screaming into the wind as Representative Kropf will bully and harass until he gets his answer. Hey Rep. Kropf, just so you're aware, politics is working to find compromise for your constituents, not to bully your coworkers into giving you what you want. Put your Only-Child-Syndrome to the side and grow up. It's time.
