

Submitter: Adam Ballard

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

The house bill 4145 and measure 114 are both unconstitutional and were voted into law in a malicious and undemocratic process. The bill and measures look to strip the ordinary Oregonian of their rights given to them by the constitution and the Oregon bill of rights. The right to bear shall be infringed.
