On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am going to make this short, this is so tainted in how it got to you, rep Jason Kropf acted in a way that caused him to resign because of his tactics to get this passed in committee, this isn't how we do business, DO NOT PASS THIS let it die and see what the supreme court says on 114. 4145 is a back door bill to change parts of 114 which is still in debate. Raising fees, time frames, this hasn't gone thru ways and means, where's the money to pay for this, noone knows. Please reject this and let's see about 114 then decide as the time put into this may end up as a waste of more taxpayer dollars. Please respect the constitution.
