Measure, Appointment or Topic: HB4134

As a Portland resident, I urge you to vote yes on HB 4134. I have worked as a Ranger for the National Park Service, so I know firsthand how many visitors are willing to travel and pay for the natural beauty this ecosystem has to offer. If it's not protected, it will cease to exist. This bill is good for both wildlife and the economy. It provides stable, long term funding for conservation and trust me, people will willingly pay for it!
