On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I'm writing to respectfully ask you to vote no on HB4145. The bill's extreme fee increases create significant financial barriers, and the expansion of law enforcement immunity raises serious accountability concerns. Restricting venue for lawsuits solely to Marion County unfairly limits access to the courts, and extending the time period for law enforcement to decide whether someone may exercise their constitutionally protected rights undermines the fundamental right to self defense and to bear arms. For these reasons, I strongly urge you to oppose HB4145.

Thank you for your time and consideration.

Sincerely,
Alexander Briggs
