Measure, Appointment or Topic: SB1509

I urgently urge you to pass SB 1509. With so much at stake with our elections, it is essential that votes are respected and not altered in any way. We need honest electors, not influenced by the politics of others. Oregon voters need to be accurately represented in every single upcoming election and need to be immediately removed if they don't. I would even like them to be fined if they try to do so!
