

Submitter: Levi Blachly

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

My name is Levi Blachly and I'm a lifelong, 44 year, resident of Oregon. I'm writing to testify in opposition of HB 4145.

PLEASE stand against HB 4145 and stand up to Representative Kropf and his history of ABUSE!

HB 4145 has been completely corrupted by Rep. Kropf when he BULLIED his colleague into changing her vote!

Every member that votes for HB 4145 and who doesn't call for Kropf's removal from every Committee he's on is complicit with his ABUSE.

No matter what gender, no matter what ethnicity, and no matter what party, NO human being deserves the kind of BULLYING Kropf shows his colleagues!

SHAME on YOU, Jason Kropf, and every member that stands with him.

HB 4145 will ABSOLUTELY carry the Kropf Abuse Stink with every member supporting them.
