Measure, Appointment or Topic: HB4145

As an older disabled person, this bill as well as Measure 114, has no provisions for those like me who are disabled and on limited income. How are some of us supposed to take a class to get a permit to purchase a firearm when it comes down to taking a class and paying for that permit due to physical disabilities and limited income. This is a violation of my Second Amendment rights The Americans with Disabilities Act protects my rights as a disabled person just as the Constitution of the United States and the Constitution of the State of Oregon. Don't discriminate against those of us who are part of a protected class
