

Submitter: Steven Hazelett

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I oppose HB4145.

I oppose ANY legislation that infringes on our rights. We as law abiding citizens have the right to protect ourselves and families without infringement.

This bill infringes on the rights of the citizens and adds unnecessary fees and time to allow us to exercise our rights. It makes it difficult for the ordinary citizen to lawfully purchase firearms for protection while it DOES NOT IMPEDE criminals from the illegal possession of said firearms.

I oppose this bill. I oppose ALL legislation that impedes on my rights.
