HB4145

I oppose HB4145. As usual, this legislature is discriminatory and unconstitutional. Charging a fee to be able to practice our 2nd amendment rights is unconstitutional and discriminates against lower income people. Oregon needs to stop trying to pass legislature that hurts their constituents. Oregon needs to stop passing legislature that creates a two tiered system. Why do you purport to be FOR the working class and then turn around and try and pass elitist legislature like this?
