

Submitter: Teri Coppedge

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Oregon's wildlife and habitat are a critical part of our identity as Oregonians. We need sustained support for the animals that were here first and are in danger of extinction . We are all part of the same web of life, and since the animals cannot testify or advocate for themselves, we must do it for them. I support this bill; please pass it.
