Chair Bowman, Vice Chairs Elmer and Pham and members of the House Committee on Rules,

My name is Juanita Rinas, and I live in Eugene, OR. I am writing to testify in strong support of SB 1509, which is a good governance bill that seeks to add additional security measures to our election process to ensure that presidential electors in Oregon vote faithfully and in alignment with the public's will as it relates to the President of the United States.

There has been much dissension over election results, and the security of our voting systems in the past decade. It is past time we need to prevent any second guessing and protect our rights to vote and see that those votes are not questioned without proper evidence, based on conjecture, politics or party. Adding an additional layer of security as posed in SB 1509 will aid in accomplishing a more secure election for all voters.

I want to see SB 1509 passed out of committee.

Thank you,
Juanita Rinas
