Committee: House Committee On Rules

Measure, Appointment or Topic: SB1509

Chair Bowman, Vice Chairs Elmer and Pham and members of the House Committee on Rules,

My name is Kiko (Erik) Denzer, from Philomath. I strongly support SB 1509, which will help insure that presidential electors in Oregon vote faithfully to enact the will of the public.

Insofar as the electoral college itself upholds an outdated and undemocratic vision of government, and insofar as the current administration sees fit to further undermine voting procedures and individual voting rights across the country, this bill will help. Electors need to be held to account. Please pass SB 1509 out of committee, and do all you can to insure its passage.

Thank you,

Kiko Denzer
