Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am opposed to this bill (4145) as it restricts my constitutional rights under the second amendment of the United States. Furthermore, why should I have to take a class in order to obtain a " permit" to excersize my first and fourth amendment rights or any rights for that matter. This bill only punishes the law abiding citizen and hinders their God given right to protect themselves and family when the real problem should be to address the mentally ill and drug user. Should we ban automobiles to curb drunk driving?
