

Submitter: Tyler Larson

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

This bill does nothing but violate the constitution you swore to uphold. Law abiding citizens should never have to live with the fear that their representatives don't listen to them and seem to have an anti-American agenda. Thats EXACTLY what a 'yes' vote implies. Vote no on this bill, stop pushing gun control, and stop raising taxes.
