Measure, Appointment or Topic: HB4145

Thank you for the opportunity to testify regarding 4145, We have been through this so many times. First it is Unconstitutional, each of you have vowed to uphold the Constitution and we continue to fight for our Constitutional Rights every year. Second this bill will only affect the law-abiding Taxpaying innocent Americans while enabling the criminals. Criminals don't do background checks. Those people who live in fear of criminals will be left helpless, between the extended process to obtain a permit and the increased cost this would leave so many people helpless. I am asking you to please vote no on 4145. Thank you. Candy Yow b
