Measure, Appointment or Topic: HB4134

I am writing in support of keeping Oregon a special place and imposing the 1.25% for wildlife. The economy of our beautiful town is irrevocably tied to the health and beauty of our environment. It is what draws visitors from all over the world to Oregon. I believe that Oregon is the most beautiful state I. The country and I so very much want to see it protected.

Please do the right thing and vote in support of HB 4134.

Thank you,
Lisa Kerr
